

A photograph of two young women with long dark hair, smiling and making peace signs with their hands. They are wearing a plaid shirt and a dark top. The image is oriented vertically but appears to be a horizontal shot rotated 90 degrees clockwise.

DENMARK → ← CHINA

Do you want to be part of a GROUNDBREAKING initiative?

A photograph of two scientists, a man and a woman, wearing white lab coats and safety glasses. They are looking at a document together in a laboratory setting. The man is pointing at the document.

ALL DANISH UNIVERSITIES cooperate with the Graduate University of Chinese Academy of Sciences (GUCAS) to offer **HIGH-LEVEL INTERNATIONAL EDUCATION**

Choose between 2-year MSc or MA programmes in:

Water and Sustainable Environment

Renewable Energy

Nanoscience

Life Sciences

Social Sciences

The first programmes start in September 2012.

By joining a master programme at **SDC** you will...

- Obtain a double degree - one from the leading Danish university and one from GUCAS
- Do project work in a Danish company with Chinese offices or in a research laboratory
- Study with advanced Chinese and Danish students
- Gain insight into one of the emerging economic and political centers of the world
- Receive lectures and classes in English from well recognized international scholars
